

Daily Dose Study Guide... Redo

There are many ways to study for your upcoming Daily Dose Quiz. The way that we have been studying is through our study guides this year and we have added new things like Quizlet and Kahoot recently. Since we are changing the way we study, it only seems fitting that how I grade your studying should change too.

From now on, you have options when it comes time to complete your study guide you are going to have four options. Look at the following chart to see your options:

Option	Requirements						
Paper Study Guide	<p>Same way we have always done it. Remember, this is also on the class blog too.</p> <div style="text-align: center; border: 1px solid black; padding: 10px; margin: 10px auto; width: fit-content;"> <table border="1" style="border-collapse: collapse;"> <tr> <td style="padding: 5px;">Definition</td> <td style="padding: 5px;">Think of</td> </tr> <tr> <td colspan="2" style="text-align: center; padding: 5px;">Daily Dose Word</td> </tr> <tr> <td style="padding: 5px;">Illustration</td> <td style="padding: 5px;">Complete sentence using the word correctly</td> </tr> </table> </div>	Definition	Think of	Daily Dose Word		Illustration	Complete sentence using the word correctly
Definition	Think of						
Daily Dose Word							
Illustration	Complete sentence using the word correctly						
Quizlet www.quizlet.com	<p>You can create an account (for free) and create your flashcards to study with. You can share these with me by clicking “share” and entering my email (jessmith@anderson2.k12.sc.us). Your cards must have:</p> <p>The WOD and THINK OF on the FRONT of the card.</p> <p>The DEFINITION on the BACK of the card.</p>						
Kahoot www.create.kahoot.it	<p>You can create a free account here too! You can create a fun quiz that we may use in class to study for your test as well. You can share these with me as well by clicking the blue “share” button once you have created your Kahoot. (My username is jenniesmith)</p> <p>There are a few options for creating your kahoot:</p> <ol style="list-style-type: none"> 1. Give the definition and have the word be one of the 4 choices 2. Give the word and have the definition be one of your 4 choices 3. “Which sentence uses the word correctly?” with 4 sentence choice 						
Old fashion flashcards	<p>Create flashcards the old fashion way. You can use the same ideas from both the Quizlet and Kahoot to create these as well. They can be on notebook paper or other types of paper.</p>						

Whichever option you choose to do will be accepted THE DAY THAT STUDY GUIDES ARE DUE. No exceptions will be made for this. You are not required to do any of the ones that are computer based, but they are OPTIONS for you.

As always, I am grading for accuracy and not completion... in other words, DO IT RIGHT!! Make sure that if you are writing sentences they are correctly written and that everything is spelled correctly.

Have a blast and be creative! I can't wait to see what you come up with!
