

Reading Strategies Newsletter

Dear Parents/Guardians,
 We are moving into our fourth set of Daily Dose and are progressing very well with Reading Plus! We had a quiz this week on the computer, which was a little different for your child, but they seemed to like doing it this way versus the old fashion way. As always, please let me know if there is anything that I can do to help you or your child. Have a great week!

Sincerely,

Mrs. Smith

Please help your child review these words, their meanings, and how they are used in conversation correctly. Their quiz will not be matching—they will have to show that they know these words in context!

Important Info:

- ✓ **Current Unit:** Our current unit is Word Mapping. In this unit, we are learning about morphemes, their meanings, and how we can use these to determine and remember the meanings of words. Your child may have extended practice to complete for homework throughout this unit. Please ask them about it nightly!
- ✓ **Lunch Detention:** It is essential that your child bring all materials to class. Their notebooks say in my classroom, so the only things they must bring with them are something to write with and their morphemes list. Failure to have these will result in lunch detention. An accumulation of demerits will result in ISS, so please stress the importance of bringing materials to class.
