Reading Strategies Newsletter

Dear Parents/Guardians,
Another week has come and gone! We have been super busy this week, but we have gotten quite a bit accomplished. You may find a certificate or two of your child's in this folder for their amazing work in Reading Plus. Please keep in mind that this is for a grade and they can work on it at home. **All work must be completed by Sunday at midnight.** My school calendars (on the school website) has up to date information, so please check there for more goodies. As always, let me know if you have any questions or concerns! Thank you for sharing your amazing student with me!

Sincerely,

Mrs. Smith

Please help your child review these words, their meanings, and how they are used in conversation correctly. Their quiz will not be matching- they will have to show that they know these words in context!

Important Info:

- ✓ Homework: The work your child completes at home is an extension of what we are doing in class. It will be graded for mastery, not completion. Please ask your child every night if they have homework. The majority of their grade in this class is in daily work and homework because my class time is limited.
- ✓ Current Unit: Our current unit is Word Mapping. In this unit, we are learning about morphemes, their meanings, and how we can use these to determine and remember the meanings of words. Your child may have extended practice to complete for homework throughout this unit. Please ask them about it nightly!
