Dear Parents/Guardians,
Please read the letter in this folder that has papers attached. I have also included some information concerning your child's reading comprehension and vocabulary comprehension. Please look over this carefully and discuss it with your child.

Important Info:

- ✓ **Reading Plus:** You should have received a letter about being able to log in and work from home. After this week, your child will have access to that and you are welcome to see what we are doing in class. Please remember that they are to do this on their own. Please do not help them. There are built in helps in the program for them. As a parent myself, I know it will be hard but this is for them to help improve their comprehension.
- ✓ **Homework:** The work your child completes at home is an extension of what we are doing in class. It will be graded for mastery, not completion. Please ask your child every night if they have homework. The majority of their grade in this class is in daily work and homework because my class time is limited.
